High School Graduates:		District Owned Operation	
High School Diplomas-Regular	676	* Certificates of Completion issued at a district level	
Other Completions*	0	** Limited English Speaking (LEP)	

Superintendent's Highlights

Our district has enjoyed a profitable year. We are continuing in our efforts to align and report the written, taught and tested curriculum. District 91 was named a Blue Ribbon School District by Expansion Magazine and received the "What Parents Want" Award from the School Match Organization. For the first time, the district published a common course catalogue listing course descriptions and prerequisites for all courses taught in all schools for grade 7-12. The district has 10 Finalists in the National Merit Scholar Competition and state winners in debate, math, technology and welding.

Progress Towards Meeting District Goals

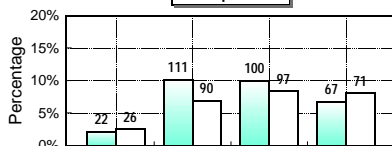

1997-98 Goals	Progress
To clearly define and communicate the academic curriculum.	The district has just completed a two-year process of defining, selecting and implementing a comprehensive Language Arts curriculum. For the first time, this curriculum is aligned in grades Kindergarten through twelve. An intensive day long teacher inservice was held. Elementary report cards have been revised to more accurately reflect the curriculum.
To identify, prioritize and resolve safety concerns.	After two years of work, a district committee has formulated and published a crisis management plan for the district including principal and teacher guidelines for dealing with immediate and long-range crisis situations.
To develop long term facility plans to meet student needs.	A Middle School Study Committee has completed recommendations to move toward a middle school philosophy. Crowding at one elementary school and a shifting population in the secondary schools has led to the formation of a committee which will recommend solutions for next year and for the future.
To continue the district's strategic planning process.	In the fourth year of this process, many goals have been met. The School Board continues to provide funds to improve student services, safety, and technology.

Student Profiles

Ethnicity

Race	Male	Female	Total
White	46.02%	42.29%	88.31%
